

**Additional Federal Post-Application Requirements:** Applicants should submit complete applications at the time of application per the requirements of the RTP Procedural Guide, including a completed California Environmental Quality Act (CEQA) process and document(s). After the State recommends a project for funding, applicants are then required to comply with the following:

1. Compliance with the National Environmental Policy Act (NEPA) and documentation.
2. Completion of the National Historic Preservation Act of 1966 process and documentation, and
3. Listing of the project on either the State Transportation Improvement Plan (STIP) or a local Transportation Improvement Plan (TIP), as applicable.

Note that federal approval of individual RTP projects may be lengthy. Projects that are recommended by the Office of Grants and Local Services will be funded as applicants complete the federal post-application requirements.
